

Sharing the Christmas Story

Four Sample Sunday School Lesson Plans

I wrote these to be used during the four Sundays before Advent and then another four for use during Advent (see A Kids Friendly Advent), but they can be used anytime this term to share the Christmas story with children.

If you are planning a Christmas event to connect with children in your community, Christmas Kids Club could be a helpful resource for you.

We have had three fun workshops in Waikato, South Canterbury and Wellington Presbyteries already and have two more planned for Auckland and Invercargill:

Auckland – Tuesday 3 November
7-9 pm @ Rosebank Church, 212 Rosebank Road, Avondale

Invercargill - Wednesday 4 November
7-9 pm @ St Stephens Presbyterian, 290 North Road

To order resources (free if emailed, or \$10 per hard copy) or to register for workshops, contact Kids Friendly.
