

Kids Friendly Christmas Resources – a gift to you!

I have had many emails back in response to my Christmas Resource email sent at the beginning of this week asking how much the resources cost. They are **free** to you if emailed. Hard copies cost \$5 each (or \$15 for 4) to cover the cost of copying and posting. For those of you on dial-up I have put the size of the file to help your decisions. Resources include:

Christmas Kids Club – Connecting with Community Children. A one-off community outreach Christmas event is a great way to share the “real reason for the season” with the children of your community. (500kb)

Christmas Games and Quizzes – hot off the press! This resource helps you share the Christmas story in lots of fun and memorable ways. Throw a couple of games into pageant rehearsals to keep kids interested. (250kb)

Christmas Crafts – again hot off the press! I’ve spent hours surfing the net and copying and pasting crafts that look good into this resource. I haven’t tried them myself yet, but there’s lots to choose from to keep your kids busy and interested. (1MB)

A Kids Friendly Advent – I wrote this resource in 2006. It includes ways to involve children in the Advent worship service, children’s stories on the Advent themes and craft activities to do during the children’s programme/Sunday School. It also includes a take-home family Advent calendar activity. (200kb)

To order any of these resources email jill@sthelierschurch.org.nz

May they inspire and equip your ministry with children this Christmas.
God bless. Jill
