Ideally, they will be:

- A teacher/preacher – authentic, biblical, practical teaching
- A role model of outward-looking missional living
- A pastor – able to work with the pastoral care team
- A team Player
- Able to grow into these roles

Napier north has some children and youth and families and seeks to reach out to more.

Napier north is based in wonderful seaside suburbs in glorious Hawke's Bay and includes small two rural congregations (Services at Eskdale fortnightly and Tutira monthly).

Napier churches are talking about cooperating more closely together.
