

September 2017

Greetings to all Presbyterian Women

## **Children are our Hope and our Future**

The Special Project 2017/18 focuses on children.

The New Zealand project works with PILLARS, Ka Pou Whakahou, which exists to create positive futures for the children of prisoners in Aotearoa, supporting them to cope with parental imprisonment therefore breaking the cycle of intergenerational crime.

The international project working with CWS and their partner the Centre for Community Solidarity in Uganda working with people caring for orphans and vulnerable children affected by HIV and AIDS.

In this package is a CD containing more information, digital copies of the printed material and a power point presentation from CWS.

Working together as the women of Presbyterian churches and co-operating churches we can make a difference in the lives of others.

If you would like any more information please contact me.

Best Wishes
