

## Report Back Special Project:

Developers in the  
Philippines  
2015 – 16

CEPAD in  
Nicaragua  
2016 - 17

**Children are  
our Hope and  
Future:  
Let the  
Children Live  
Special  
Project  
2017 - 18**

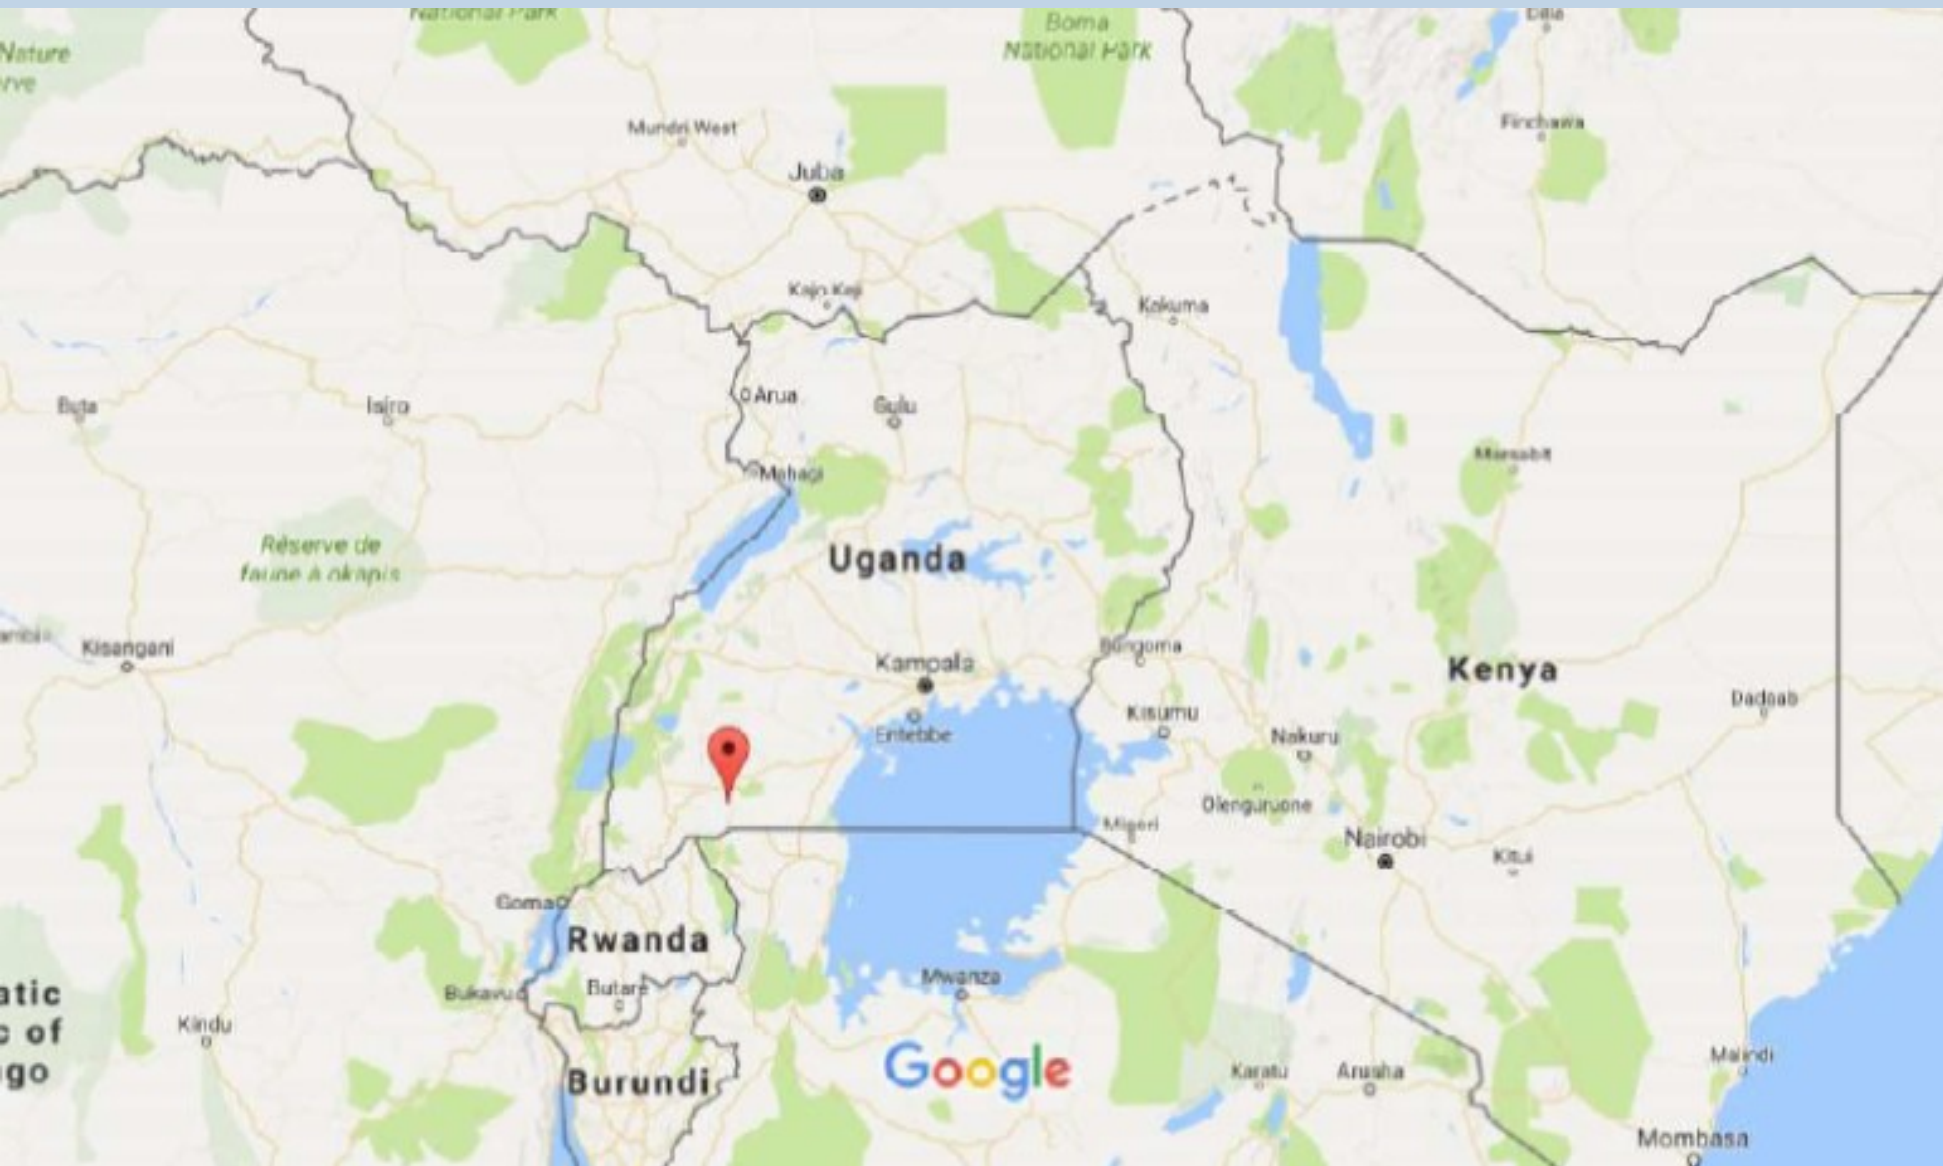

**The Centre  
for  
Community  
Solidarity is  
helping  
families of  
HIV and AIDS  
orphans with  
water.**

**In Isingiro district, CCS supports 25 associations of caregivers for HIV AIDS orphans.**

**Collecting water takes time. Bore water is heavily mineralised. The Kagera river is up to 8 kilometres away.**

**Having water  
on tap saves  
time.  
Children are  
clean and go  
to school.  
Families  
grow more  
food.**

**Gray water is used on new plants. A few years ago CCS distributed pigs to the caregivers.**

**“To have water and a bathroom in our home is a beautiful thing for my children... I pray that God may bless you.” Joy**

**CCS enjoys sharing their knowledge and clean water at community events –for World Refugee Day.**

**CCS advised  
HIV orphan,  
Bruce to  
learn  
carpentry –  
now he  
employs  
orphans as  
apprentices.**

**“May God  
reward you  
for your  
kindness,  
care, love  
and the  
concern you  
have for  
these  
people.”**

**Charles Rwabambari, Coordinator of CCS, has organised the building of 695 water tanks with support from CWS. They need to build 520 more for 2,321 children. Please help them.**
