

# COME JOIN THE JOURNEY

Are you looking for a church where there is a passion for relationship with Jesus and a sense of family? St Paul's desires to see our sphere of influence grow in Katikati and beyond as we grow deeper in our knowledge and experience of God. We are looking to navigate culture change, focus on revitalisation and build a shared focus.

## **WE NEED A LEADER TO COME ON THE JOURNEY WITH US, WHO IS:**

- A spiritual leader who is reforming with Jesus Christ
- A minister of God who is familiar with Presbyterian polity as a tool for discipleship and mission
- A fellow sojourner committed to walking with us as we seek to connect with the wider church community of Katikati, local missions and beyond.
- A missional activator skilled at strategic planning and building a team and equipping the church missionally
- A Nationally Ordained Minister within the PCANZ (Completed theological training and ministry formation requirements).
- An effective connector, equipper, communicator, teacher, and encourager
