

The Rotorua District Presbyterian Church (RDPC) is seeking a second ordained minister to be a part of its team.

We are looking for someone with a passion for God's mission who has had missional training and /or experience. This person will work collegially with other ordained ministers in RDPC.

This is an exciting opportunity to be a part of a vibrant church community that is committed to discovering and following Jesus. Our team needs a minister with a range of gifts to help nurture and lead our congregations forward on the journey of following Jesus.

The RDPC is made up of three congregations but extends across the district with four main locations that cater for mission and ministries including significant community initiatives as well as worship services. Our new minister will primarily be responsible for our largest congregation, St Johns.

The structure of the RDPC is that RDPC Council is responsible for governance, ministry and mission supported by the individual leadership teams of each congregation. The ministry team is made up of the ministers, lay staff, elders and volunteers who work across the whole RDPC.

Rotorua is a beautiful and exciting place to live and work. With many lakes and extensive forests, recreation is a significant part of life in the area. More information regarding living in Rotorua can be found [here](#).
