

We at Plimmerton Presbyterian Parish are seeking a full time, nationally ordained minister, to journey with us in the next phase of our Church's mission.

Plimmerton Presbyterian Parish is situated in the North Porirua area, close to Wellington and we serves a diverse population.

Ours is a church that has mission at its heart. We value the enabling of evangelism through the connection with organisations in the community and the equipping of people to share the Gospel with the community. We long to see people coming to faith in Jesus Christ and entering into the life of the church. Our mission is underpinned by a strong pastoral ministry. Care of our church family is highly valued with several gifted people serving the pastoral needs of our people. Currently all members' pastoral needs are covered through membership of a home group or the care of a pastoral care team member.

Scripture teaching is strengthened by the presence of small study groups that meet weekly.

We have invested in youth and children's ministries for a number of years through hiring full time Youth and Children's workers.

We are seeking a minister that is a missionary, one who has a passion for connecting with people in the North Porirua region and one who is committed to drawing those people into the life and ministry of the church.
