

SEEKING A FULL-TIME MINISTER

St Andrews Community Presbyterian Church Otahuhu is in search of a new Minister to lead our multicultural church. If you are a passionate servant of God with a heart committed to fostering his ministry, we invite you to consider joining us.

We are seeking for someone with proven experience in pastoral roles and church leadership. A minister who inspires spiritual growth within the congregation and encourage outreach to the wider community.

We are a warm and welcoming church; we are a close-knit community with a strong sense of fellowship committed to living our faith through love and service.

If you are ready to join us and help us grow in God's grace and share his love with our community, we would love to hear from you.
