

St David's Presbyterian Church Invercargill.

We are wanting to connect with God's person to lead us into the next phase of our life as a Christian community. This may be a Nationally or Locally ordained minister.

The parish has a distinct Charismatic ethos with an emphasis on worship and outreach into our community. Links with the Catch the Fire ministry form part of our life and there is a solid supportive and efficient pastoral team in place.

All Invercargill parishes are involved in a discussion about what the Future Church will look like in the city - we are part of this. We live in exciting times.

We are offering a 75% part time position (negotiable)

The parish profile and ministry expectations are available on application to the Convener of the MSB Andrew Bayne a.b.bayne.nz@gmail.com 021 08447455
