

Is God calling YOU?

St James Presbyterian in West New Plymouth, is seeking a new ministry leader. We are a congregation diverse in age and full of passion. We love doing life together in this increasingly crazy world, supporting and encouraging each other and those we interact with on a daily basis.

This ministry position is either full or part time; we are negotiable as to what would work for you.

We love kids and youth, and have an active ministry for both. [We are also looking for a part-time children and youth worker.] Resourcing and building on these ministries is a huge priority for us - they are the future after all!

This role will be focused on loving Jesus, loving us, equipping us, teaching us and joining us on our Christian journeys. We are keen to better engage with the local community and would love some support with this.

We have been praying for you, that God would already be tugging on your heart about coming to join us. We promise to continue if you do.

We are excited for the future, and full of anticipation as to where God is leading us.

If you would like further information please contact our MSB convenor Graham Armstrong
