

We at St Johns Presbyterian Church Papatoetoe are looking for a full time, nationally ordained Presbyterian minister who will be called to lead and inspire us, as we continue to learn more of God's Word.

We are seeking to call someone with the passion and enthusiasm to lead our vibrant, diverse congregation of many cultures and ages. A minister who will help us to grow spiritually, enabling us to grow as a church family in the love of Jesus Christ, bringing inspired leadership to our youth and leaders.

We enjoy taking part in the worship services and so do our children, who are extremely important part of our community and worship. We are very involved in the local community activities as well as with our Community Centre. Our Minister will enjoy living close to the church buildings in a quiet, private fully refurbished manse and garden.

We look forward to hearing from you.

Please contact the Convener of St Johns Church Ministry Settlement Board, Rev George Kopa by 11th September 2023 on email minister@stpaulsmanurewa.nz or call 0274 696 698.
