

St Martins Presbyterian Church

Is God challenging you at the moment?

We at Saint Martin's Presbyterian Church are looking for a nationally ordained minister to lead our congregation, provide support for our church family and the wider community.

Do you have a strong Christian faith?

Do you enjoy preaching from the word of God, and building relationships to encourage & pastor people?

Do you listen and pray, and are you empathetic, humble, kind and loving?

Can you still have fun and be willing to explore new avenues?

We are looking for someone who can dream and discern the heart of God for the families of Saint Martin's Presbyterian church, St Martins, Christchurch and the wider community. We are an active church with many outreaches e.g. Crafty Crafters, Meditative Prayer, Exercise Group, Elder Care and Menzshed. We have totally renovated our iconic church after the earthquakes and it is a wonderful modern environment waiting for you to lead our eager congregation into the future. The position is for .7 in the initial stages with the potential to grow as the need arises.

If you would like further information, or have questions, please contact Rev Heather Simpson on 0272433233
