

Minister Full Time

The St Peters in the City is calling a full time nationally ordained Minister to serve and lead in its Tauranga central-city congregation. The parish has a strong history in ministry and has been blessed with many talented and gifted people of faith over many years. Our desire, at this time, is to rebuild a flourishing all-aged congregation with an intentional particular focus on young families. This position is one of leading a ministry team as well as the Elders and many others who serve as volunteers in ministry. The terms of call and more specific details about the role are set out in the position description.

While a working knowledge of the Presbyterian Church of Aotearoa New Zealand (PCANZ) is required, this can be developed over time. Essential to the position is an evangelical vision, a strong Biblical theology, experience in leadership of a church, with highly developed communication, written, oral and technical skills. The incumbent has to be able to work well with and lead a diverse range of people.

Further details including a parish profile, a strategic plan and a position description are available in the [application pack](#). The Ministry Settlement Board welcomes expressions of interest and will follow these up in confidence. If you feel any sense of God calling you to this ministry opportunity please be encouraged to take a 'next step'.
