

TAPANUI PRESBYTERIAN CHURCH

CHURCH ON THE WAY

Church On The Way, Tapanui, is searching for the Minister God calls to lead us on the next stage of our journey.

In the heart of West Otago, it's not a big church, but it is special, with a strong evangelical and charismatic heritage.

We seek a Nationally Ordained minister for a full time position. Someone who can prayerfully and passionately encourage and challenge our faith community with God's word, while also engaging the wider West Otago community as an ambassador of the Gospel.

This leader will:

- love Jesus Christ and put God first
- open the Word for us and show us how to apply it
- love people and enjoy all generations
- be a 'connector' and 'bridge builder'
- be comfortable in a rural, small town setting (or willing to learn to be)
- empower others as a team builder, enabler and lead with humility
- laugh with us, cry with us, and roll up their sleeves with us
- be part of a leadership that discerns God's vision for Church on the Way, while helping others to connect with it.

Is it you?
