

Ministry Vacancy at Glendowie Presbyterian Church Auckland

A family church and congregation at the heart of the community.

Glendowie Presbyterian Church is located a little way up the hill on the Western shore of the Tamaki Estuary, with the village of St Heliers just over the hill and the Hauraki Gulf's beaches and islands beyond. Nature abounds close-by, while the City, and all it offers, is just a few bays and headlands away.

Our congregation is looking for a full-time, nationally ordained minister to lead our friendly, loving and bible-believing, intergenerational church.

If you're a fun and friendly person who is alive in Christ, looking to partner with a church community focused on achieving a vision of transformed lives through teaching and leadership skills, we would love to hear from you.

Our focus is on families, from the youngest members to the more senior, and engaging with our local neighbours through all members of our congregation and the many events, activities, and courses we run.

For more information and a parish profile, please email Ben on [Mobile 021 216 6275](tel:0212166275) or email ben@gpc.org.nz
