### **1. Christchurch earthquake relief**

Obviously all our thoughts and prayers are with the people of Christchurch at this time. As Martin Baker said in his email of 3 March, this office is committed to working closely with the Christchurch Presbytery Earthquake Steering Committee in providing whatever emergency relief and longer term support we can.

Damage to Church property is still in early assessment phase but initial reports indicate two Churches have been destroyed and several more have suffered major structural damage. Assessment could take some time due to the scale of damage in the city. Reports also indicate that no injuries have been suffered in Church property.

General Assembly office has opened an earthquake relief appeal that, thanks largely to generous support from PSDS, already holds about \$35,000 in donations towards supporting the Churches in Christchurch. We have offered to underwrite the immediate operating costs of affected parishes from these donations, and contributions from General Assembly reserves, and have offered short term relief from Assembly Assessment payments.

While the response to these offers are being received and costed, any donations intended for specific Church related use can be made to this office. Any parishes that are experiencing business interruption or an inability to pay employees and creditors as a result of the earthquake are invited to contact me to discuss emergency relief.

### **3. FSD Parish Payroll Offer**

You may recall that in the past Financial Services Department has offered a payroll and tax services payment service for parishes. We are aware of the complexity of managing parish payroll, and as our payroll processes and resources are now more robust than when the service was discontinued in 2006, we have decided to re-introduce the offer. Key points of the service are:

- The parish remains the employer of ministers and lay employees, and PCANZ Financial Services Department will act as a pay agent.
- PCANZ will make fortnightly or monthly stipend, wage and allowance payments to ministers and employees, and make any necessary payroll deductions
- FSD will make PAYE, ACC, Kiwisaver and Beneficiary Fund payments to IRD and AON, on behalf of the parish
- The parish will transfer gross stipend, salary and allowances to FSD prior to employee payments
- There is a nominal administration fee payable to PCANZ of \$10.00 (plus GST) per employee per pay period.
- FSD will produce payslips and annual pay summaries for and employees and parishes.

We have produced an enrolment pack of information that includes

- Terms and conditions
- IRD Form 330 Employee Tax Code Declaration
- Parish and Employee detail form (to be signed by the parish and employee)
- Sample timesheets and leave forms

Please contact Margaret Fawcett at this office for further information and an enrolment pack.
