

Are you a qualified tradie? We need you!

Gulf Christian Services is an interdenominational Evangelical Faith-based organisation working in remote Gulf Province, Papua New Guinea. We are currently working on a major rebuild of Kapuna Rural Hospital. We have voluntary and several partially supported roles for Christian tradies from 3 weeks to 3 years. We have particular needs for a Site Manager and for a Supply Officer for 2020. If you are interested, let's talk.
