## Supporting Mission in India

The Presbyterian Church of Aotearoa New Zealand has been in partnership with the Presbyterian Church of Myanmar since 2007.

Since then, we have had annual trips to Myanmar to strengthen this partnership, and continue to support one another, working together in God's mission.

Our brothers and sisters in Myanmar have so much to teach us about courage, faith, generosity and hospitality. In return, we have much to share with them. The Presbyterian Church of Aotearoa New Zealand and the Presbyterian Church of Myanmar are committed to supporting one another to bring life to our communities.

We believe that by working together we can each give and receive.

We are seeing lives and communities transformed and you can be part of it. You can help by offering some of your resources with those in Myanmar to support this ministry.

## Ways to Get Involved

You can find out the ways in which Global Mission is currently involved in Myanmar on our global mission website, [www.globalmission.org.nz/ricebowlmission](http://www.globalmission.org.nz/ricebowlmission) or [www.ricebowlmission.org.nz](http://www.ricebowlmission.org.nz)

### Be Informed

Keep up to date with project developments and what is happening with our friends in Myanmar.

Learn of their prayer requests and get the latest information on upcoming trips, as well as helping to give a voice to those who do not enjoy the freedoms that we take for granted.

Sign up to the e-mail newsletter 'Mingalaba' by going to [www.ricebowlmission.org.nz](http://www.ricebowlmission.org.nz)

### Volunteer

Annual trips to Myanmar help us to see, hear, feel and experience our mission partnership.

Through this friendship our monetary gifts can be invested into many and varied development and mission projects.
