

Hibiscus Coast Presbyterian Church

We are a medium sized congregation situated on the fast-growing Hibiscus Coast. We are excited about the vision for the future and are looking for a visionary, energetic minister who can:

- inspire and equip our congregation to engage faithfully with our growing and changing community
- develop teamwork and enable people to realise their gifts for works of service
- lead us to become a growing, all-age, and multi-cultural congregation
- enhance our congregation's focus on world mission and advance it into the future
- by discernment of the Holy Spirit, encourage people in Christian faith

This could be a fulltime or part time position. We envisage a Nationally ordained minister, who has the courage to lead change, think strategically and develop a team to work collaboratively and lead this church into the future.

Check out our website for our Parish Profile and other information.
