

Board Role - step up to a new level of leadership

We are a Charitable Trust owned and operated by the Presbyterian Church of Aotearoa and run by a board of volunteers. The organisation provides affordable outdoor and residential camping experiences to enrich the lives of New Zealanders, and visitors from overseas.

We have a long and successful track record of well managed and maintained land and property at our two sites: Houghtons Bush Camp and Hunua Falls Camp. There has never been a time when our resources have been needed more by our community, schools and church groups.

As a board our purpose is to ensure a positive and stable future for our self-funding sites, maintaining the land and buildings for future generations, in addition to ensuring the day to day management operates at a consistently high level.

Develop your governance skills and local community contribution

Develop your governance and wider operational/commercial experience by joining this experienced and highly effective board. The role involves attending board meetings, working on strategy and individual projects to implement initiatives, or advising (depending on your knowledge and experience). You will receive mentoring and support to grow your governance capability.

Skills and competencies sought

A passion for camps and outdoor pursuits

A genuine interest in the wellbeing and development of young people

Commercial acumen and the ability to think strategically

Management capability, which may come from a range of backgrounds:

accountancy, property, council, legal or IT would be ideal.

An interest and involvement in the local community

Commitment required

6 hours per month, with meetings every 6 weeks.

Location

All meetings are held in Auckland.

Remuneration

Unpaid.
