

Give-it-a-Go Grants!

PressGo are making 50, \$500 grants available from the Presbyterian Foundation this year. So, we are looking for 50 churches with a big idea. Start something new, dip your toes in the water, take your first steps in mission and Give-it-a-Go!

Your project will:

- Be a one-off event or activity
- Have a community-facing focus
- Make good use of volunteer enthusiasm
- Be creative, imaginative and fun!

Even better if:

- People of all ages are involved
- It reflects the diversity of your community
- It could be a stepping-stone to a larger vision or project

Each grant is \$500, so if your project will cost more, you need to find the extra.

for more information

You might like to focus your mission project towards Neighbours Day, Easter, White Ribbon Day, Children's Day, Halloween, Christmas or another national day and take advantage of other resources and promotions that will occur already at that time.

Applications are open now and will remain so until the 50 grants are awarded. To make sure everyone has the opportunity for a grant, applications are limited to two from each church.

It's easy, just fill in the form, email to pressgo@presbyterian.org.nz and we'll let you know by the end of the month. For accountability all you need to do is share your story with us – use words, pictures or make a video clip. We'll share these with the church to inspire others!
