

Spanz

Presbyterian Church of Aotearoa New Zealand

About Spanz...

Spanz is the official national publication of the Presbyterian Church of Aotearoa New Zealand, and the primary distribution outlet is Presbyterian and Uniting parishes. With a print run of around 12,500, and a readership in excess of this due to “pass-on”, it’s a great way of connecting with Christians from Cape Reinga to Bluff.

A typical reader has an active Christian faith, is 65 years of age or older, has a mature outlook, and is interested in community and social issues. Around 10 percent of readers are 25 or younger.
